Solemnity of the Most Holy Body and Blood of Christ

June 2, 2024

Exodus 24:3-8; Hebrews 9: 11-15; Mark 14:12-16, 22-26

Psalm 116: 12-13, 15-16, 17-18

Good Sunday of the Body and Blood of Christ.

An essential feature of most parties, not to mention banquets, is a substantial meal. You can't miss the food. But also in our homes, food is prepared with love and is usually eaten together. In some cases, when the party is important, you have to give your best. It must be a special meal. The food we have in the Eucharist is very special, indeed, and has become for us the most significant meal of our lives. Our participation in this banquet is vital. It starts us on the path of salvation. Because what we eat is JESUS himself. There is no other food like it. He himself wanted to give his body to eat and his blood to drink. That is, we receive the substance of life from Jesus, who nourishes and strengthens us. In the Eucharist Jesus celebrates his own Easter, which has become our Easter. Every time we receive it we pass (Easter = passage) from death to life. Those of us who take communion or receive Christ, enter into communion with Him, and with our brothers and sisters. At the same time, Jesus entering into our lives frees us, configures us, strengthens us, and fills us with love. In short, He gives us everything He possesses. It is a dedication that is perpetual in time, but that at the same time is current in the here and now of my own life and of the community it celebrates. Let us therefore celebrate this beautiful feast with great joy and feed our souls with Jesus, so that, configured by and united to him, we may bring him to those who live far from him. God blesses you on this day of the Body and Blood of Christ.

Solemnidad d Cuerpo y la Sangre de Cristo

2 de junio del 2024

Éxodo 24:3-8; Hebreos 9:11-15; Marcos 14:12-16, 22-26

Salmo 116:12-13, 15-16, 17-18

Buen domingo del Cuerpo y la Sangre de Cristo.

Regularmente toda fiesta se realiza con un banquete, o al menos una comida fuerte. No puede faltar la comida. Pero también en nuestras casas la comida se prepara con amor y suele comerse juntos. En algunos casos, cuando la fiesta es importante, hay que dar lo mejor. Debe ser una comida diferente. La comida que tenemos en la Eucaristía es muy diferente, la mejor, y se ha convertido para nosotros en la comida principal de nuestra vida. Participar de este banquete es vital. Nos entra en el camino de la salvación. Porque a quien comemos es al mismo JESUS. No hay otra comida parecida. El mismo quiso dar a comer su cuerpo y a beber su sangre. Es decir, recibimos su misma vida de Jesús, que nos alimenta y fortalece. En la Eucaristía Jesús celebra su propia Pascua, que se ha convertido en nuestra Pascua. Cada vez que lo recibimos pasamos (Pascua = paso = pasar) de la muerte a la vida. Los que comulgamos o recibimos a Cristo, entramos en comunión con El y con los hermanos y hermanas. Al mismo tiempo, Jesús al entrar en nuestras vidas nos libera, nos configura, nos fortalece, nos llena de amor. En fin, nos da todo lo que El posee. Es una entrega que se hace perpetua en el tiempo, pero que a la vez es actual en el aquí y ahora de mi propia vida y de la comunidad que celebra. Celebremos, pues, con gran alegría esta hermosa fiesta y alimentemos nuestra alma con Jesús, para que, configurados y muy unidos a él, lo llevemos a quienes viven lejos de él. Dios les bendice en este día del Cuerpo y la Sangre de Cristo.

Solenidade do Corpo e Sangue de Cristo

Êxodo 24:3-8; Hebreus 9:11-15; Marcos 14:12-16, 22-26

Salmos 116:12-13, 15-16, 17-18

Bom Domingo do Corpo e Sangue de Cristo.

Toda festa costuma ser realizada com um banquete, ou pelo menos uma refeição especial. Você não pode perder a comida. Mas também em nossas casas a comida é preparada com amor e geralmente consumida em conjunto. Em alguns casos, quando a festa é importante, é preciso dar o melhor de si. Deve ser uma refeição diferente. A comida que temos na Eucaristia é muito diferente, a melhor, e tornou-se para nós a refeição principal da nossa vida. Participar deste banquete é vital. Entra em nós o caminho da salvação. Porque o que comemos é o próprio JESUS. Não existe outro alimento igual. Ele mesmo queria dar seu corpo para comer e seu sangue para beber. Ou seja, recebemos a mesma vida de Jesus, que nos nutre e fortalece. Na Eucaristia, Jesus celebra a sua própria Páscoa, que se tornou a nossa Páscoa. Cada vez que o recebemos passamos (Páscoa = passagem = passe) da morte para a vida. Aqueles de nós que comungam ou recebem Cristo, entram em comunhão com Ele e com os nossos irmãos e irmãs. Ao mesmo tempo, Jesus entrando em nossas vidas e nos liberta, nos configura, nos fortalece e nos enche de amor. Em suma, Ele nos dá tudo o que possui. É uma dedicação perpétua no tempo, mas que ao mesmo tempo é atual no aqui e agora da minha própria vida e da comunidade que celebra. Celebremos, portanto, com grande alegria esta bela festa e alimentemos as nossas almas com Jesus, para que, configurados e muito unidos a Ele, possamos levá-lo àqueles que vivem longe Dele. Deus os abençoa neste dia do Corpo e Sangue de Cristo.

A Mother's Prayer

Our Father who art in heaven:

Lord, may you receive this petition that has been the hope of my entire life. Grant me, oh Lord, the grace that I may one day be the mother of a priest.

I know that your divine intentions are impenetrable, that you have predestined your chosen ones, and to them I humbly submit.

Nonetheless Lord, hear my petition: I dare ask you for a son of mine to continue your work of redemption on earth, forgive sins in your name, able to hold you in his hands and give you to other souls, baptize the children, open the gates of heaven to the dying, be a drop of celestial dew on this tormented world; be another Christ.

Lord, do not refuse this golden dream that never leaves me, this divine vision that fills my soul with indescribable sweetness: the vision of a man raised up to his God on the altar, of a man who would have my facial features, of a son that you had given me, of a priest that would have returned to you completely for You. Of course, I ask that you make him saintly.

Lord, I ask in the name of Mary, mother of the first priest.

My Jesus, make me the mother of a priest. Amen

Oración de una Madre

Padre nuestro que estas en los cielos:

Señor que suba hasta Ti mi súplica que es la ilusión de toda mi vida. Concédeme, Señor, la Gracia de que algún día llegue a ser la madre de un sacerdote.

Conozco, Señor que tus designios son impenetrables, que tienes predestinados a los tuyos, a ellos me someto humildemente. Sin embargo, Señor, escucha mi súplica; me atrevo a pedirte que un hijo mío continúe tu obra redentora en la tierra, perdone los pecados en tu nombre, pueda tenerte en sus manos y darte a las almas; bautice a los niños, abra las puertas del Cielo a los moribundos, sea una gota de Rocio celestial sobre el mundo atormentado, sea otro Cristo.

Señor, no rechaces este sueño dorado que nunca me abandona, esta vision divina que llena mi alma de dulzura inefable, la vision de un hombre levantando a su Dios en el altar, de un hombre que llevaría mis facciones, de un hijo que Tu me habrás dado. De un sacerdote que yo te habría devuelto todo para Ti. Eso si, te pido que lo hagas santo.

Señor, te lo pido por María, madre del primer sacerdote. Mi Jesús, hazme la madre de un sacerdote. Amen

The Extreme Florida Abortion Amendment...

- Does not require an actual medical doctor to determine if an abortion is necessary to protect the mother's health or if the fetus is viable, but instead allows any "health care provider" to make these decisions. Under Florida law, "health care providers" is not limited to doctors so even employees of abortion clinics who are not doctors would be able to approve late-term abortions.
- While it allows for parental notification, it eliminates the current law that requires parental consent for their minor daughter to have an abortion.
- **Would allow abortion right up to the moment of birth, including when a baby is capable of feeling pain with no protections for the unborn baby.**

La Enmienda Extrema del Aborto en la Florida...

- No requiere que un médico determine si un aborto es necesario para proteger la salud de la madre o si el feto es viable, sino que permite que cualquier "proveedor de atención médica" tome estas decisiones. Según la ley de Florida, los "proveedores de atención médica" no se limitan a los médicos, por lo que incluso los empleados de las clínicas de aborto que no sean médicos podrían aprobar abortos tardíos.
- Si bien permite la notificación a los padres, elimina la ley actual que requiere el consentimiento de los padres para que su hija menor tenga un aborto.
- **Permitiría el aborto hasta el momento del nacimiento, incluso cuando un bebé sea capaz de sentir dolor sin protección para el feto.**

WORD OF LIFE: JUNE 2

"Christ's blood reveals to man that his greatness, and therefore his vocation, consists in the sincere gift of self. ...It is from the blood of Christ that all draw the strength to commit themselves to promoting life. It is precisely this blood that is the most powerful source of hope, indeed it is the foundation of the absolute certitude that in God's plan life will be victorious."

Pope Saint John Paul II, Evangelium vitae © 1995, Libreria Editrice Vaticana.

"La sangre de Cristo manifiesta al hombre que su grandeza, y por tanto su vocación, consiste en el don sincero de sí mismo. ... Es en la sangre de Cristo donde todos los hombres encuentran la fuerza para comprometerse en favor de la vida. Esta sangre es justamente el motivo más grande de esperanza, más aún, es el fundamento de la absoluta certeza de que según el designio divino la vida vencerá."

Papa Juan Pablo II, Evangelium vitae © 1995, Libreria Editrice Vaticana.
